7th Grade Orientation

7th Grade Orientation will be held on August 29th from 3 to 6 pm.

Prior to orientation, students will receive an information packet that contains their homeroom, schedule, locker and locker combination. Students should bring this information with them to orientation. Copies of schedules will not be available for distribution at orientation.

Schedules, homerooms, locker numbers and combinations will also be available via the Schooltool parent portal beginning on August 24th. Please note that locker combinations are not viewable using the mobile app. We will have help sessions for parents who have not previously used the Parent Portal in Schooltool to learn how to log into and navigate the program.

During orientation, students will have the opportunity to find and fill their lockers, to walk their schedules and to participate in a self-directed scavenger hunt.

The schedule will be as follows:

- 3:00-5:00 Find Your Locker and Walk Your Schedule
- 5:00-5:45 Student Scavenger Hunt and Parent Information Session

On August 30th and 31st, all students are welcome to visit the building to find their locker and walk their schedule.

School supply lists are available on the SRM web page. There is a link to the lists both on the home page slides, as well as under the "Parents" tab. Students will not receive school-provided planners. The expectation is that they use their Google Calendar to stay organized. If you feel your child would benefit from a paper planner, please add it to your school supply shopping list.
