LHS STUDY HALL RULES AND PROCEDURES 2012-13

Expectations:

1. Study Hall is a time when students should be engaged in productive academic work.

2. Each student is expected to have something to work on at all times while in study hall. If students do not have any written work, they are expected to study or read quietly.

Procedures and rules:

1. All school rules apply at all times.

2. Study halls are quiet study. Students may work with a partner or in a small group only with permission of the study hall teacher.

3. Cards and video games are not permitted.

4. Use of cell phones is not permitted.

5. Teachers have the option of allowing students to quietly listen to music.

6. Students going to the library will need a pre-signed pass. Students must remain in the library for the duration of the study hall.

7. A student going to see one of their classroom teachers must have a pre-signed pass from that teacher.

8. Students will sit in seats assigned by the study hall teacher.

9. Cut referrals will be written for students who cut study hall.
